FDIC APPLICATION 20051977 - Wal-Mart

Dear Chairman Powell,

Please Deny the application for an industrial loan company charter in the State of Utah allowing them FDIC insurance benefits for all deposit accounts at Wal-Bank, and give them authority to branch throughout our country.

We are not the only community to lose many small businesses after the Wal-Mart has moved into their community.

Sincerely,

A handwritten signature in cursive script that reads "Kathy J Albsmeyer".

Kathy J Albsmeyer

A handwritten signature in cursive script that reads "Tom Albsmeyer".
